NOTIFICATION
“Affiliation Norms for ITIs - 2017”

Industrial Training Institutes played a vital role in economic development of the country especially in terms of supplying skilled manpower to industries. Properly trained skilled manpower is the demand of the industry, which is being regularly supplied by hands-on skill training through ITIs.

2. Accordingly, to meet the demand of industry in present scenario of technological developments, the affiliation and procedural norms for Industrial Training Institutes (ITIs) to be setup now onwards, have been revised by NCVT in consultation with the expert committees, trade experts, industry, academia and also the State Govts.

The main salient features of “Affiliation Norms for ITIs - 2017” are given below:-

- An ITI is to be set up for minimum 4 trades (12 units) which is an economical model. Presently NCVT norms allowed setting up new ITI with minimum 2 trades.
 - The plot size for the ITI with minimum 4 trades and maximum up to 12 units will be 4291.4 sq. meter i.e. approx. 1.07 acres.
 - A lease period is to be minimum of 10 years against 30 years proposed earlier in the new norms.
 - Stage I & Stage II i.e. Application Assessment and Civil infrastructure assessment is to be done by State authorities with a minimal human intervention i.e. LOI shall be generated automatically by computer based IT system.
 - In the Stage III inspection; which is related to physical inspection of civil infrastructure, Machinery equipment etc is to be done by a committee in which there will be a representative of DGT as member.
3. A copy of “Affiliation Norms for ITIs - 2017” is attached herewith.
4. “Affiliation Norms for ITIs 2017” supersedes all the previous civil and procedural norms for affiliation ITIs under the aegis of NCVT.

5. These norms will be applicable for new proposals from academic session 2018-19.
6. Accordingly, arrangements are being made to invite new proposals for ITIs on an IT based platform, which would be notified separately.

Encls: As stated above

(S.D Lahari)

Dy. Director General (T&E)
